

November 2016 Update

People that are important to us

In 2gether we have been getting to know each other and learning each other's names. Children have brought in photos from home of their families, friends and pets to display on our board.

We then extended our project into learning about those people in our community that are important. These include; fire fighters, doctors and the police. We were lucky enough to be visited by a PC Anderson who let the children try on some of her equipment and sit in her patrol car. Children have also been working hard at becoming more independent; learning how to wash their hands, feed themselves and put their coats on.

They have lots of opportunities to explore physically and develop their early movement competence; where they have been exploring balance and travelling actions.

They have also been visiting Class Kipper three times a week to use their outdoor provision. They have loved playing on the scooters and in the mud kitchen.
