Registered Charity No: 1060023

Executive Headteacher: Mr Mark Batty
Head of School: Miss Jill Anderson

Dear Parents and Carers,

We have recently noticed an increase in the number of soft toys, squishes, and other toys being brought into school. Whilst we understand that these items can be comforting for some children, they are increasingly becoming a source of distraction and can impact pupils focus, emotional regulation, and engagement with learning throughout the school day.

To support a calm and productive learning environment for all children, we kindly ask that these items remain at home unless their use has been agreed in advance with the class teacher or SENCo.

If a child does bring a soft toy, squishy, or other toy into school without prior agreement, they will be asked to keep the item safely in their school bag for the duration of the school day.

If you feel that your child would benefit from access to a fidget or sensory resource during the school day, please contact the SENCo. We can provide appropriate resources from school where needed.

Thank you for your understanding and support.

Miss K Smith
