Year 6 Crucial Crew Trip

Dear Parents and Carers, Wednesday 3rd June 2026.

On Wednesday 8th July, children in Year 6 will be attending a Crucial Crew event in Scarborough. This is a fantastic event which is designed to support children in Year 6.

Crucial Crew is an interactive safety and behaviour program primarily aimed at Year 6 pupils. It's a multi-agency initiative, often led by local police forces and supported by emergency services and other organizations.
The program focuses on teaching children about personal safety, risk assessment, and how to react in various potentially dangerous situations.

Time: The children will leave school at lunchtime and return back slightly later than the end of the school day, please expect them back at 3.45pm.

Food: Please provide a packed lunch or school will provide one if a school meal has been booked.

Cost: £13 for transport and entry into the event.

Payment and consent will need to be done via Arbor which we move over to from 1st July. Payment will therefore need to be made by 3rd July. We appreciate this is a tight turn around but unfortunately it is out of our control.

Many thanks

Anna Harrison
EVC Coordinator

OUTSTANDING TRAVEL PLAN 2025/2026
