

P.T.A Meeting

27th SEPTEMBER 2018/ 14:00 PM ATTENDEES

Karen Reed, Rachel Holtby, Nicola Gaze

Apologies: Julie Caddy, Sally Goodwill, Marie Wilson

AGENDA

Funding Requests:

The P.T.A have approximately £1000 in the pot.

- 1) Gooseberry Guru - Miss Green has already managed to raise £185 via Parent Pay. She is going to send another letter to Reception children's Parents in order to try and raise some more funds. The total needed is £550. As Gooseberry Guru is important for educating children and parents on internet safety the P.T.A felt we would try to help with the funding shortfall.
- 2) A shed - Miss Vasconsella has requested a shed for storage of outside play equipment. We thought an 8x6 would be a good size and needs to be reasonable quality to ensure it lasts.

Alissa and Karen have obtained some quotes, Rachel is going to enquire on Facebook as to second hand options, Nicola is going to enquire on Freecycle.

- 3) A Willow Den - Miss Vasconcelos has asked for this for the Reception class play area. Rachel is going to obtain advice from Mr Holtby on the best time of year to plant.
- 4) Hi-vis vests - Mrs Ring has requested these for off site visits with the school logo on. P.T.A logo also to go on. - Nicola will make enquiries.
- 5) Re-useable water bottles. - Mrs Breckon has asked about these in order to reduce the amount of single use plastic. They are to have the school logo on and are to be purchased by parents to replace drinks such as Fruit Shoots in packed lunches. P.T.A will make enquiries.

6) Climbing Wall for outside - Mr Allman/ school council. The approximate cost is £10,000. P.T.A. have agreed to help the school council with fundraising, such as Morrison's bag packing. Karen will contact the school council to see what ideas they have for fundraising and how we can help.

7) Remembrance Tree - Miss Harrison.

A tree to commemorate the 100th Anniversary of W.W.1. A plaque will also be needed. Miss Harrison has poppy seeds to scatter around and underneath. Miss Harrison to source the tree she would like. £50 budget agreed for the tree.

Fund Raising

Cinema Night suggested.

Possible dates 24th or 25th October.

Currently there is no care-taker so a late finish isn't possible. It has been suggested that the film could occur straight after school. That way teacher's who would normally still be present could lock up. The film would probably be finished by 5:30pm.

KS1 children would be collected from school by parents as normal and accompanied to the film.

KS2 children could make their own way to the hall, watch unaccompanied but be collected by parents.

Suggested film " Hotel Transylvania 2"

Snacks: Marshmallows, pumpkin oranges, pop-corn

Glow-sticks for the children to buy. 50p each.

Children can wear Halloween head gear
