Expectations in all aspects of learning, the lessons remotely are working really well, the teachers are doing an amazing job. I feel extremely lucky and happy that my children attend this school.

Under difficult circumstances, I feel the school has exceeded.

My daughter joined the school last sept. And since then I was impressed how organised the school, the teachers are so friendly and my child loving every minute. Thank you MCPS

I'm so impressed with the quality of the online live lessons provided to my son in Y5. It has been a really smooth transition and he is able to work independently. It's great that he can continue to see and talk to his teacher and friends while keeping up with his learning. Thank you!

I think the school is very well lead and managed and all staff work very hard. Some parents just don't understand what leaders have to deal with and can be very unkind.

Mr Shackleton has given above and beyond to help with home learning during this lockdown, with minimal notice to prepare. The results are outstanding and his time, effort, help and patience is more than appreciated.
