Dear Parents and Carers,

22<sup>nd</sup> November 2021

It is vitally important to us that children at school know about how Malton has changed and developed over time and that we celebrate our wonderful local area. In school we are hoping to create a display which celebrates the important people and places in and around our local area.

We would love to include any memories of Malton that you may have. This could be in the form of a photograph or perhaps a written memory describing a part of Malton which has changed over time or that is important to you. Maybe some grandparents or great-grandparents remember the old school on Wentworth Street for example.

If you have anything that you could contribute that we could copy and share with the children we would be so grateful. Please send in a named envelope so that we can return your items.

Many thanks

Miss A M Harrison  
Leader for History
