Dear Parents and Carers,

9th November 2021

## Homework Policy

In order to improve our homework provision at school, I would be very interested in hearing your views on our current policy. That way, we can adapt to meet the needs of our families better.

Please fill in the form below and return to your child's class teacher.

The class receiving the most replies will earn a little treat!

You do not have to add your name but it would be helpful if you could add your child's class name, teacher or year group.

Many thanks

Miss A Harrison
